Dear Valued Customer!

We are so happy to announce that our Columbus deliveries are going so well that we will be continuing our door to door deliveries on Thursday or Friday. We will be delivering to any home/business who has an order over \$150. These could be meat products, bakery products, or grocery items.

We are very thankful that so many of you have been picking up at our Columbus drop off locations! It has been a fabulous way for individuals to pick up our products, however because the number of people using these pickups has increased, they are running out of freezer space (a great problem to have). We hope you will take advantage of this **FREE to your door delivery**. We hope this will make things easier on you.

For orders under \$150 we will continue to do the weekly deliveries to **The Archive** and **Pam's Market Popcorn**.

As always, please make sure you have your order in by the Wednesday before delivery at the very latest!

Thank you for your continued support!!

Cheryl & David Smith
